WORK EXPERIENCE

Full-stack Developer Intern

Aug 2025 - Dec 2025

PT. Ina Gata Persada

Malang, Indonesia

Worked as a Full-Stack Developer building and maintaining web applications using Laravel (backend) and Vue.js (frontend). Responsibilities included developing REST APIs, integrating frontend with backend services, implementing responsive UI, debugging, and collaborating with the team using Git.

Mobile Developer Intern

Apr 2025 - Jul 2025

PT. Ekata Technology Indonesia

Malang, Indonesia

- Utilized **Flutter & GetX** for state management, dependency injection, and navigation to achieve clean and scalable architecture.
- Refactored existing codebase to improve readability, maintainability, and performance, ensuring better adherence to best practices.
- Collaborated with back-end teams to integrate RESTful APIs .

Mobile Developer Intern

Aug 2024 - Sep 2024

NOWDOTS Group

Surabaya, Indonesia

- Contributed to the development of mobile applications using **Flutter**, ensuring responsive and visually appealing user interfaces.
- Implemented **BLoC state management** to separate business logic from UI, creating a structured, scalable, and testable codebase.
- Collaborated with back-end teams to integrate RESTful APIs .
